

We are excited to announce that on Saturday, December 6, 2025, Paragon will be hosting a new roundtable in Washington, D.C. exclusively for Paragon dentists over the age of 60.

The Vintage Prime Roundtable will focus on transitions and how to make the most of your vintage prime years. This special session will take place immediately following the Year-End Review at the Hilton McLean Tysons Corner.

The subjects that we will discuss at the Vintage Prime breakfast will be.....

- When to hire associates
- When to partner
- When to sell
- When to transition out completely

We will have speakers outside of Paragon, speakers from The Paragon Program™ and interviews with Paragon clients who have navigated any of these subjects successfully.

This meeting, which includes breakfast, will be from 8:00 AM – 11:00 AM and if any topics regarding your long-term transition interest you, you will want to be at this meeting.
